Memo No. 965 S 27.10.26 from the Hindi Court, Bangalore City.

Referred for favour of a copy of the resolution of the Municipal Council recommending the free grant of a plot of ground measuring 250' x 150' near Kalasipalyam Police Station for the construction of a Municipal Choultry for the convenience of the Pilgrims coming from the Mofussil for treatment in the Minto Opthalmic and Victoria Hospitals and stating that the grant will be subject to the condition that the construction of the building should be commenced within 6 months from the date of grant.

Sanction of Govt is sought for the free grant under Section 40 (2) of the Land Revenue Act.

The Conditions attached to the free grant stating that the building should be begun within a year of the grant does not seem to be necessary. Fixing of a period for the completion of the building commenced within 2 years of the grant is and resumption of the land for the failure of the purpose for which it is granted seem to be necessary.

The above may kindly be submitted to the Executive Council.
